Message from Marilyn

With my last day being Friday, December 30, 2022, I can't believe it's been nearly a year since announcing my retirement. It's even harder to believe that 24 years have passed since I began my career at WISCUB Service Center/Cleveland State Bank. I had countless opportunities for career and personal growth, including leader of employee culture group, marketing for both WISCUB Service Center and Cleveland State Bank, planning events, attending the annual credit union convention,

driving across beautiful Wisconsin to visit credit unions, and meeting the most amazing, extraordinary individuals along the way. I will fondly cherish the many memories as my husband and I move forward to this next phase in our life creating, traveling, and spending time with our kids and grandkids.

**Happy Holidays
from all of us at**
