ModernFi CUSO

ModernFi is credit union owned and the first-ever deposit network built exclusively for credit unions.

ModernFi's focus is to help credit unions grow deposits and member relationships by enabling you to offer accounts with millions in extended NCUA insurance.

- Win high-value deposits from commercial, nonprofits, public funds
- Deepen relationships and increase wallet share with current members
- Lower cost of funds with a non-rate solution

Become part of this fast growing deposit network!

Exclusive event for Wisconsin Credit Unions!

Join us Tuesday, April 8th, at 2 pm, for a live ModernFi Webinar. Watch your email, or contact us, for registration!

Official Credit Union Checks

Are you looking for **Cost Savings & Convenience?**
Process your official checks through WSC.

Credit unions can issue their official checks directly through an assigned account number within the credit union share draft program. These checks will be part of your daily share draft clearings and processed by your internal data processing system.
